

A6000P-D 系列/series

直驱高速单剪线平缝机 DIRECT DRIVE HIGH SPEED AUTO TRIMMER LOCKSTITCH MACHINE

-  直驱通轴电机，安静舒适：
Direct drive through shaft motor, quiet and comfortable;
-  省电高效、节能环保、稳定
Energy efficient, energy-saving, environmentally friendly, and stable
-  简易直驱、分离电机
Simple direct drive, separate motor
-  手轮大风力设计，防过热
Handwheel with strong wind design to prevent overheating
-  LED灯设计，三种不同灯光适应不同环境
LED light design, three different lights to adapt to different environments
-  超能USB接口USB应用，不仅为手机充电续航，还可运行风扇和暖宝宝，后续可为软件升级；
The super powerful USB interface USB application not only provides battery life for mobile phones, but also runs fans and warms babies. It can be upgraded for software in the future;
-  旋刀剪线；稳定、高效率
Rotary knife thread cutting; Stable and efficient

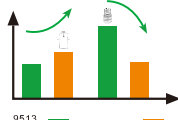

自动剪线，提升工作效率
Auto trimmer, increase efficiency

补针键功能：缝制更加精确方便
Sewing function: sewing more accurate and convenient

操作空间大，缝料输送更顺畅
The operation space is large, and the seam conveying is more smooth

提高30%工作效率，节省50%缝纫线团
Increase work efficiency by 30% Save 50% sewing thread ball
